Dear children,

You have already learnt something of numbers and shapes. This book will tell you more of these.

Also some new kinds of numbers.

And new types of shapes.

That we often see around us.

Let this book be of help.

*The problems that you may face
in your daily life.*

Pay heed to your teachers, keep a keen eye around.

Be ready to test everything.

Laugh and play with all your heart.

And learn a bit of math.

Through this little book.

With love,

PLEDGE

India is my country. All Indians are my brothers and sisters.

I love my country, and I am proud of its rich and varied heritage. I shall always strive to be worthy of it.

I shall give respect to my parents, teachers and all elders and treat everyone with courtesy.

I pledge my devotion to my country and my people. In their well-being and prosperity alone lies my happiness.
